CALL TO ORDER AND WELCOME

Mayor Boyd called the public hearing to order and welcomed everyone.

PURPOSE

The purpose of this meeting is to hear objections, if any, on an application for a zoning amendment submitted by Kendall C. Stapleton to rezone Metter Tax Map Parcel M43 060 N. Leroy Street from R-3 (Two Family Residential) to R-5M (Single Family Manufactured/Modular Homes) to allow for a manufactured home.

PUBLIC COMMENTS

Ms. Rosa L. McCullough and Mr. Emmanuel Tillman were both present to voice their concerns. They were against the rezoning request because they did not want it to affect their property value. They were also concerned that this would open the area for more mobile homes.

Public Hearing, July 12, 2021

The applicant was not present to answer any concerns.

ADJOURNMENT

After no further public comments, Mayor Boyd adjourned the public hearing at 5:30 p.m.
