**CALL TO ORDER AND WELCOME**

Mayor Boyd called the hearing to order and welcomed everyone.

**PURPOSE**

The purpose is to hear public input on a request for a variance of the Metter Zoning Ordinance submitted by Mike Collins for property located at 140 Oaktree Road.

**PUBLIC COMMENT**

Mr. Glen Williamson explained that Mr. Collins is requesting a variance to a building height of sixty feet. The current regulations as we understand prohibit our development plans on this property. He mentioned that their first initial idea was to put a high-end hotel on the property but there are no plans for a specific building at this time. We are looking at commercial retail. We hope to build something nice to bring in other businesses.

There were no comments from the citizens present.

Public Hearing, December 12, 2022
