March 04, 2019

To whom it may concern:

It is time once again for the Great American Cleanup. The Great American Cleanup prompts individuals to take greater responsibility for their local environment by conducting grassroots community service projects that engage volunteers, local businesses and civic leaders. The City of Metter and Candler County are partnering to sponsor this event; however, we need your help! We rely on donations from local businesses to make this event successful. We are asking for your help in keeping Metter and Candler County beautiful with a corporate sponsorship of \$200.00. As a corporate sponsor, you will receive two free t-shirts with your company name or logo on the back, as well as, social media recognition and advertisement listings. Participants in the event will receive a t-shirt that proudly displays your local commitment to a clean community. The event will be held on April 06, 2019 this year just prior to Another Blooming Festival which highlights our community among residents and visitors alike. Your donation will be greatly appreciated by all involved and really help us put our best foot forward to make Metter and Candler County show our local community pride. Donations must be received by Thank you for your continued support!

If you have questions, please contact Metter City Hall @ 912-685-2527.

Please make donations by March 15, 2019 payable to:

City of Metter
