

In an effort to slow down the spread of COVID-19, the lobby at the City of Metter City Hall will be closed beginning Wednesday, March 18 until further notice.

City Hall will accept payments through the night deposit box during our normal business hours. As always, the night deposit boxes are available after hours. We encourage our customers to utilize the other alternative payment options that we have such as our website at www.metter-candler.com or by calling our office at (912) 685-2527.

We will also be suspending disconnections of service for non-payment until March 30. While this is not a normal procedure, we are sensitive to disruptions in the livelihood of our customers. Though disconnections are suspended for a short time, we encourage customers to pay their accounts on time to avoid large balances in the future.

Our workforce will continue to serve our customers daily, just limited face-to-face contact. Please call us at (912) 685-2527 to conduct business or if you have questions. The Welcome Center is closed until further notice as required by Gov. Brian Kemp.

Thank you for your cooperation as we work to maintain the health of our employees as well as the community we serve. We recommend that citizens follow all recommendations of the Centers of Disease Control (CDC) and other health care professionals.
